

Exhibition from February 26 – March 31st : **10 CURATORS**

Co-occurring with the 10 year anniversary of colette, we enlist the artistic guidance of 10 separate curators to mark an exhibition with a difference, allowing them to spotlight the works of an artist in any way they see fit via a wall inside the store. Whether it be a long-time favourite artist or an up and coming talent they see fit to spotlight, « 10 Curators » essentially reflects the diversity and spirit of artistic creation today.
